

OFFICE OF THE MAYOR

POLICY # 5 (March 24, 2020)

- (A) A residential developer who wishes to fully pay the Fee-in Lieu of the required parkland dedication pursuant to §166-04(B)(3)(I)(ii) of the *Unified Development Code* shall not be required to submit their preliminary plat, large scale development, small or large site improvement plan or other development proposal to the Parks and Recreation Advisory Board prior to submitting the development plan to the Planning Commission.
- (B) City permit fees for fishing on lakes in and Lake Fayetteville and Lake Sequoyah pursuant to §97.070 of the *Fayetteville Code* are hereby waived for the period of time that State fishing license fees/requirements are waived by the Arkansas Game and Fish Commission.
- (C) To ensure proper social distancing, all basketball courts and playgrounds in city parks and/or over which the City of Fayetteville has jurisdictional control are hereby closed, and all persons are prohibited from congregating thereon. Furthermore, the City Parks and Recreation Department is directed and authorized to close any gazebo or other location within our City Park system in which proper social distancing is not being followed and obeyed. Trails shall remain available, but persons may not congregate thereon in violation of social distancing rules or recommendations of the CDC.
- (D) The ban on restaurants' use of disposable, single-use Expanded Polystyrene Foam (aka Styrofoam) products scheduled for May 1, 2020, is hereby delayed until July 1, 2020.
